PRIMA[®]
Bath Fittings

An ISO 9001 : 2015 Certified Co.

HOW “PRIMA” IS DIFFERENT

LEARN HOW TO CLEAN A TAP

Clean Taps with a little soap and moist cloth only, then simply rinse off and wipe dry. You can avoid lime spots (White Spots) by drying the fitting each time it is used. After drying you can apply a coat of wax polish to protect the surface from settlement of water for a considerable period of time.

To clean the aerator first open the housing by unscrewing it anti-clock wise, take out the aerator.

Wash it with water, clean it and simply attach it again. Here you go steady high flow of water. Surely you save a few bucks here.

An ISO 9001 : 2015 Certified Co.

about us

With a humble beginning 30 years ago in 1991, Prima has come a long way and won confidence of millions of customers, Prima presents the most lavish and contemporary bath fittings, Accessories & Showers, to beautify your own world, your home.

We may add that we are BIS approved manufacturers of the products conforming to IS: 8931, IS:781, IS:9763 & IS:1703 In Delhi State. Our 'ISI' marked products have been widely accepted and are being used in various Govt. Departments, MES, MAP, AWHO, CPWD, PWD, DDA, RITES, NBCC etc. beside various prestigious Housing Projects in the private sector. We have achieved good results & reputation in the market due to our quality products.

We are dedicated to design, develop and manufacture high class bathing luxurious. Our stringent quality control methods ensure the world class product range. The key components like internal cartridge and brass are of international standards, our in house R&D team consists of experienced expertise and consultants. Our products are equipped with Advanced technology and aesthetic design, to match customer's demand. Prima's creativity, quality and elegance are the attributes that describe our range of product.

DHAWAN SANITARY UDYOG

EXTENSIVE QUALITY & PERFORMANCE TESTS TO ENSURE ONLY THE BEST PRODUCT REACHES YOU.

PRIMA[®] Products undergo a complete quality & performance test as stated below :

► **AIR/VACUUM TEST :**

After Machining the unfinished dye casted every product is tested at 15kg pressure of water and air leakage.

► **ASSEMBLE & FITMENT TEST :**

After assembling and polishing, each piece is checked for pin holes & surface finishing.

► **FINISHED PRODUCT PERFORMANCE TEST :**

After the faucet is completely assembled and chrome plated, it goes for a final water test done on pressure pump at 25 kgs. / Cm² as per IS:8931

► **NICKEL & CHROME TEST :**

Periodic nickel plating of 10 microns & chrome plating of 0.3 microns is conducted in-house.

► **SPECTROSCOPY TEST : PRODUCT COMPOSITION TEST :**

Conducted by and independent lab, this test is periodically done to ensure the correct metal composition of the product.

7 YEAR WARRANTY

All Prima Products are subjected to extensive multiple tests as per our defined systems and parameters. The products are warranted against all manufacturing defects

- Prima Faucets are warranted for 7 years from the date of original purchase.
- Showers, Accessories, Health Faucets & electronic components are warranted for 1 year from the date of original purchase.
- During the warranty period, if any manufacturing defect is found, the same will be repaired or replaced upon the proof of purchase.
- Installation expenses shall not be by the company at any time.
- The warranty does not apply to a product which has been subjected to abuse or accident.
- Whatsapp 5 Sec Video, 2 Pictures of Defected Faucets Along with INVOICE to Dealer
- Complaint Would be handled by company representative onsite with in 72hrs.

An ISO 9001 : 2015 Certified Co.

PRIMA Uses German made NEOPEARL aerators. Their foam flow and spray flow technique save up to 70% water. As per Green Concept building Guidlines directed by GREHA.

FOAM FLOW

SPRAY FLOW

*Neoparl Used in Selected Products.

SAVE WATER

Our flow regulators are designed to regulate and control the flow of water to taps and showers without hampering the performance or the design of the product.

SAVE THE PLANET

We all want to try and do what we can to help the environment. With our flow

This can only be good for the planet.

MANUFACTURING PROCESS

- Complete In-House Production
- Latest Technology adopted to manufacture

An ISO 9001 : 2015 Certified Co.
